WHAT IS MOPS?

MOPS (Mothers of Preschoolers) is an amazing group of women who come together twice a month to share their struggles and successes as they guide their children through this early and important time of life. Our group is special, because we provide a fun and friendly atmosphere for moms to relax, connect, and share with one another. We enjoy exceptional guest speakers, fun crafts and time to be ourselves over a potluck breakfast. We socialize, encourage each other and learn how to handle this tough, but special, season of our lives. MOPS is a non-profit, international program facilitated by volunteer moms through churches since 1973.

WHAT IS MOPPETS?

MOPPETS is a Bible based children's program for babies through Kindergarten. We provide a loving atmosphere where your children learn, play, laugh and meet new friends, all while you refresh your spirit just down the hall.

THE VISION OF MOPS:

MOPS International exists to encourage, equip and develop every Mother of Preschoolers (MOP) to realize her potential as a woman, mother and leader in the name of Jesus Christ.
